CARTE POSTALE. POSTKARTE.

By Appointment.

Crystal Palace. This immense building, situated as it is on the heights of Sydenham, is a prominent feature of the northern landscape from almost any vantage point on the Surrey hills and when the sun is shining, the reflection on its innumerable glass panes, gives the impression of a massive jewel set amid the surrounding hills. The Palace was originally erected in Hyde Park for the great Exhibition of 1851.
